

RLP

IP20

RLP is type of fixture which can be easily used in a practical manner thanks to the design thereof allowing it to be moved and turned to all directions easily by mounting on rails in case of need for store, shop window and emphasized lighting. Highly efficient COB LEDs can have a very long life. Desired illumination levels are obtained in the spaces with different power options. With black and white color options, luminaires suitable for the architecture and decoration of the space can be selected.
